On 1/10/2016, I contacted Steve Evans (b)(5)(A) ) when he was detained by a Valley View Casino Security Officers because he was causing a disturbance and had slept in various places in in the Valley View Casino. Evans displayed many signs of being under the influence of alcohol and was uncooperative with Valley View Casino Security Officers prior to my arrival. I placed Evans under arrest for 647(f) PC- Drunk in Public and transported him to the Vista Detention Facility.

While at the Vista Detention Facility, Evans resisted and attempted to break free from my control and a use of force ensued which resulted in his loss of consciousness. I transported Evans to Tri-City Hospital where he was uncooperative and refused medical treatment. Evans was cleared from the hospital, transported and booked into custody for 647 (F) - PC - DRUNK IN PUBLIC: ALCOHOL, DRUGS, COMBO OR TOLUENE (M) at the Vista Detention Facility where he was placed into a sobering cell. Evidence for this case is jail video footage of the use of force.

### ORIGIN:

On 1/10/2016 at about 0134 hours, I was dispatched to 16300 Nyemii Pass, Valley Center, Ca 92082 in the County of San Diego at the Valley View Casino because someone, later identified as Steve Evans (b)(5)(A) ), was causing a disturbance and had been found sleeping in various places inside the casino and had subsequently been detained by the Valley View Casino Security Officers.

### INVESTIGATION:

Deputy Robinson and I arrived at the above mentioned location at about 0203 hours and contacted Steve Evans who was handcuffed inside a room in the security office area of the casino. Upon contact with Evans I noticed he had red and bloodshot watery eyes. Evans was slurring his speech as he started yelling at me to let him go. Evans had the odor of an alcoholic beverage emanating from his person. Evans began demanding I let him go and he would just walk away. I asked Evans where he was going to walk to. Evans replied, "None of your fucking business!" Evans refused to tell me his name, where he was from or any other personal information. I tried asking Evans how he had gotten to the casino, but he just demanded I let him go and would not answer any questions I asked. I asked Evans if he had been drinking and he replied saying he had several drinks that night but would not tell me what he drank, how much he had drank or how long he had been drinking. I attempted asking Evans several more questions in order to determine if he had anywhere to go or anyone to care for him. Evans continued to demand his release and would not answer the questions. During the course of my interaction with Evans, I was unable to determine if he had any place to go or anyone to care for him to ensure his safety.

Due to Evans' level of intoxication, unpredictable and uncooperative behavior, I determined he was unable to exercise due regard for his own safety. Because Evans was found in a public place under the influence of alcohol and was, as a result of his level of intoxication, unable to care for his own safety, I placed him under arrest for 647 (f) - PC - DRUNK IN PUBLIC: ALCOHOL.

As Deputy Robinson and I were searching Evans incident to arrest, Evans became angry and starting yelling he was going to call his congressman. Deputy Robinson and I escorted Evans to my patrol

vehicle and instructed Evans to sit down in the back. Evans at first refused, but I was eventually able to convince him to comply.

I left the Valley View Casino and transported Evans directly to the Vista Detention Facility. While driving Evans to the jail, he continued to be angry and yell at me for wasting the taxpayer's money by driving him so far away. Evans also told me to be a man, stop the car, remove the handcuffs and we would "go out to the field" suggesting a physical fight between us. Evans referenced that analogy several times while we were driving.

I arrived at the Vista Detention Facility and filled out the necessary paperwork in my vehicle. After I was ready to bring Evans into the jail, I opened the back door to let Evans out. Evans got out of the vehicle and started yelling at me that I need to let him go. I had Evans face my patrol vehicle and held on to his arm in order to maintain control of him due to his behavior. As I was about to start walking with Evans to go to the Intake Sally port he yelled, "Take your hands off me!" and began thrashing back and forth. In order to ensure I did not lose control of him, I pushed his chest up against a nearby brick wall and held him against it. As I was holding him there, I told him to "knock it off." I told him we were going to walk toward the Intake Sally port and he needed to cooperate along the way. Evans replied with, "Fuck you, get the fuck off me!"

I pulled him off the wall and held him with both my hands. My left hand was holding his right arm and I had my right hand around his right side holding onto the front of his shirt. I was holding him in this manner because I feared he would resist me more. I walked Evans to the Intake Sally port door and put his chest against the wall so I could keep control of him. After a few seconds of being at the Intake Sally port door, he began to push back on me as he began thrashing back and forth again. I began to push him back forward to push him up against the wall again to regain control. As I started pushing him forward, Evans violently pulled to the left and away from me toward a California Highway patrol officer that was standing next to me. Fearing I would lose control of Evans and he would break free of my hold on him, I pulled him to the right and pushed him down to the ground. I did this in order to get him on the ground to regain control of him. As Evans was going to the ground, the right side of his head hit the concrete and he lost consciousness. Had I not used force to take Evans down to the ground, I believe he would have broken free from my control and been able to run free in the vehicle sally port or continue with his trend of behavior and become violent with me or other officer's in the vehicle sally port. I placed my left knee on Evans' back with downward pressure in case Evans regained consciousness and resumed his resistive behavior. Evans was unconscious for about 50 seconds before he started grunting and regaining consciousness.

After Evans regained consciousness he started yelling, "Fuck you, get the fuck off me!" I instructed Evans to remain on the ground until paramedics arrived to evaluate him. Evans yelled at me asking what he needed to be evaluated for. I told Evans he was knocked unconscious. Evans yelled, "I was not unconscious! What the fuck are you talking about?!" Evans began to lift his head in an effort to get up and yelled, "Get the fuck off me!" I continued applying downward pressure with my knee and he was unable to get up. Had I not used my knee to apply downward pressure, I believe Evans would have

been able roll to his side and attempted to get free of my control again. Firefighters from the Vista Fire Department arrived on scene shortly after. Evans was uncooperative with the firefighters and would not allow them to evaluate him. After the firefighters had attempted to evaluate him, they said there was nothing they could do but since he seemed alert and responsive they did not need to take him to the hospital. Deputy Muli arrived on scene to assist with control of Evans. I asked a sergeant from the Vista Detention Facility for a copy of the video surveillance footage of my use of force. The sergeant left and returned shortly after with a CD copy of the video surveillance footage which I later placed into evidence at the Valley Center Sheriff's Station.

I transported Evans to Tri-City Hospital in order to get him cleared for booking into jail. At the hospital, Evans was uncooperative with anyone who tried to talk to him about the incident or any possible injuries. Evans would not let any nurses get his vitals. When the doctor came to talk to Evans, he told the doctor, "Get the fuck away from me!" and would not allow her to evaluate him. Because of Evans' actions and uncooperative behavior, he was discharged without being seen with "AMA"(Against Medical Advice) status. The doctor informed me Evans was alert, responsive and had no visible injuries that needed treatment.

I transported Evans back to the Vista Detention Facility and booked him into custody for 647 (f) - PC - DRUNK IN PUBLIC: ALCOHOL. After being booked into custody, the deputy's working the jail had to place him into a Sobering Cell because of his behavior until he was able to cooperate and go along with the booking process.

## EVIDENCE:

Item 1- CD with Vista Detention Facility video surveillance footage.

## INJURIES:

Evans was rendered unconscious when his head struck the ground during a takedown. He was evaluated at Tri-City Hospital and cleared for booking.

## Use of Force Supplemental

### Use of Force Supplemental Instructions

**Lines 1 & 3:** Fill in the blanks.

**Line 2:** If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

**Primary Reason for Using Force:** Check appropriate box(s).

**Subject Appeared To Be:** Check if applicable.

**Number of Officers on Scene:** List number of officers present.

**Number of Officers Using Force:** List number of officers that used force.

**Level(s) of Resistance Encountered:** Check appropriate box(s).

**L.E. Tool/Technique Used:** Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

**Was Initial Use of Force Effective?** If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

**Was Additional Control or Force Needed:** If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

**Target Distance:** If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

**Subject Injured:** Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

**Extent of Treatment:** Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

**Officer Injured:** Check appropriate box (see above).

**Extent of Treatment:** Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

**Other Force Used/Comments/Equipment Performance:** This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

**Mark Figure to Indicate Contact Points:** When applicable, mark the areas on the figure where applied force contacted the subject's body.

**Sergeant:** Sign, list ARJIS number and date reviewed.

**Lieutenant:** Sign, list ARJIS number and date reviewed.

**Captain:** Sign, list ARJIS number and date reviewed.
